DOGMAN IS A GUARDIAN FROM A PREGONE ERA

The Michigan Dogman Is Real… And It's Far Worse Than Anyone Could Have Predicted

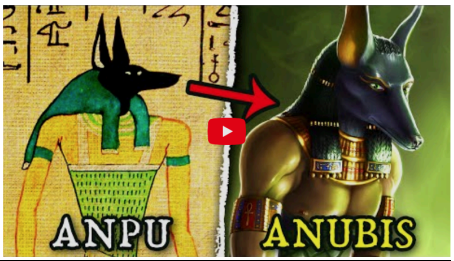
Before you start to delve into the current Dogman stories you have to understand that the Dogman is **NOT A NEW KID ON THE BLOCK** he is a legendary half man half alien, half unknown species who's DNA was spliced together by the gods **in Iraq.**



Lets see if Dogman is part of End Time Prophecy and where these various Chimera beasts will be let loose soon.

The reason we were never taught this in our schools and churches is that it is FORBIDDEN KNOWLEDGE MARKED CLASSIFIED if you know what I mean.

Dogman was a genetically modified Nephilim, a human alien hybrid built to do the heavy lifting for these alien gods and sons of the gods, and to guard sacred above and underground sites. Dogman was referred to as the GUARDIAN OF THE UNDERWORLD.

Whether or not these are simulated pictures they illustrate what our DEEP STATE IS DOING and LYING ABOUT IT.

Today we know that the DEEP STATE operatives operate in underground basis and tunnel systems all over the world and that they are also creating these chimera today.

This image shows the reverse canine hind legs type or version of Dogman people also describe seeing today.

According to folklore and eyewitness accounts, the Dogman's legs and feet have a blend of canine and human like features. Most notably is their size, strength and power. They use bipedal (two-legged) movement in an all out run.

Specific descriptions include:

- **Legs:** The legs are consistently described as muscular and powerful, enabling the creature to stand upright, move with alarming agility, and even keep pace with a speeding car. Some reports specify canine-like hind legs with a distinctive "hock" (ankle) joint that points upward, giving them a bent appearance, which is characteristic of digitigrade animals like dogs. Other descriptions mention human- or ape-like muscularity.
-
- **Feet:** Accounts of the feet vary. Many reports imply large **canine paws** (digitigrade), consistent with a wolf or dog. One witness described the back paws as "huge," bigger than human hands.
-

- Other descriptions suggest **plantigrade feet** (walking flat-footed like a human or bear) when standing. One specific illustration from an eyewitness account notes "plantigrade feet".
-
- Some reports describe the creature's forepaws as being slightly elongated, like hands, with elongated claws.
-
-
- 
- **Movement:** The creature primarily moves on its hind legs but has been known to run on all fours. Some witnesses report a "popping" or "cracking" sound when the creature transitions from four legs to two legs, which has led to speculation about the rearrangement of bones in the paws/hands or that they were built with bionic joints. The movement is often described as fluid and powerful, not entirely human.
-
- **Covering:** The legs and feet are covered in the same dark, shaggy, or matted fur that covers the rest of its body.

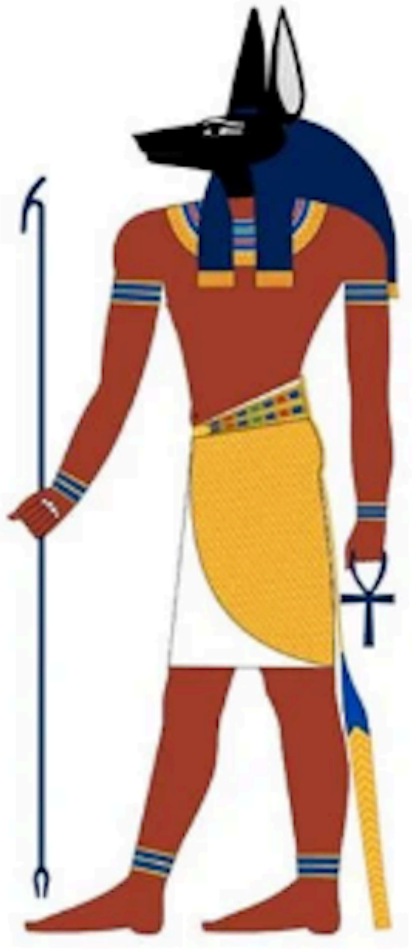
LORD ANUBUS DOGMAN IN EGYPT



A Prayer to Anubis

O, Glorious Anubis, Lord of the Sacred

We call on you, the jackal god of the dead and embalming,

Come to the aid of our dear friend,

He has left our world and entered into yours,

We humbly ask that you guide and protect him.

Bestow on him wisdom so that he can make his way to Osiris

We pray that you remember all the good deeds that he did here on earth.

It is our hope that he finds his way to paradise,

To a place where he will be reborn,

And spend eternity free of all earthly sufferings.

Keep him safe, O, unbiased Anubis, Imy-ut!

Anubis guides souls to the **underworld** (the Duat), the realm of the dead ruled by Osiris. His role includes overseeing the mummification process and leading the soul to the Hall of Two Truths for the "Weighing of the Heart" ceremony, where his judgment determines whether the soul is worthy of eternal life or will be devoured by the demon Ammit.

- **The journey:** Anubis guides the soul through sacred spaces to the Duat, the Egyptian realm of the dead, where the journey involves overcoming gates and guardians.
- **The "Weighing of the Heart":** In the Hall of Two Truths, Anubis is a key figure, meticulously ensuring the scales are balanced for the judgment of the deceased's heart against the feather of Ma'at.
- **Final destination:** If the heart is light enough, the soul is deemed worthy and is granted eternal life, often depicted as entering the paradise of A'Aru. If the heart is heavy with sin, Anubis hands the soul over to Ammit to be destroyed, resulting in oblivion.

-
- The ancient Egyptians who believed in Reincarnation thought that if they prayed to Lord Anubus that he would guide and protect the soul of their dead loved one to a safe location underground after death so that that soul could be reborn again.
-
- Christians refer to the Jewish underground location as Hades, Hell, Sheol and by many other names such a Hell. In the New Testament Jesus rescues Lazarus from an underground location.

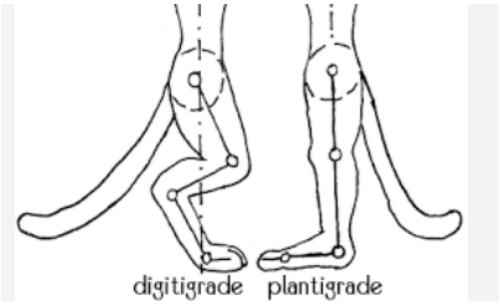
Michigan has been the hub for Dogman sightings. The first question you need to ask is WHAT'S UNDER MICHIGAN that Dogman is interested in, why Michigan?

These are digitigrade Dogmen

They are described as having a hump on their backs. They walk on their food pads aka paws



They are described s digitigrade Dogman type who walk on their paws. One has a more snubbed nose that is seldom seen the Northern American States

Listen to the video above for more details and remember their are many video's like this online so that you can listen to the data.

These hybrid chimeria all appear to be dimension hoppers and operate in and around sacrid sites and under ground openings to protect that is going on underground. They appear to all be hard wired with technology and that includes as sound projection system we call infrasound today, This technology makes them very hard to film.

Prohecy tells us that these chimera will be back again today to reek havoc and to protect their underground holdings as the DEEP STATE players prepare to let them loose on the world as guardians and as killers for the DEEP STATE.

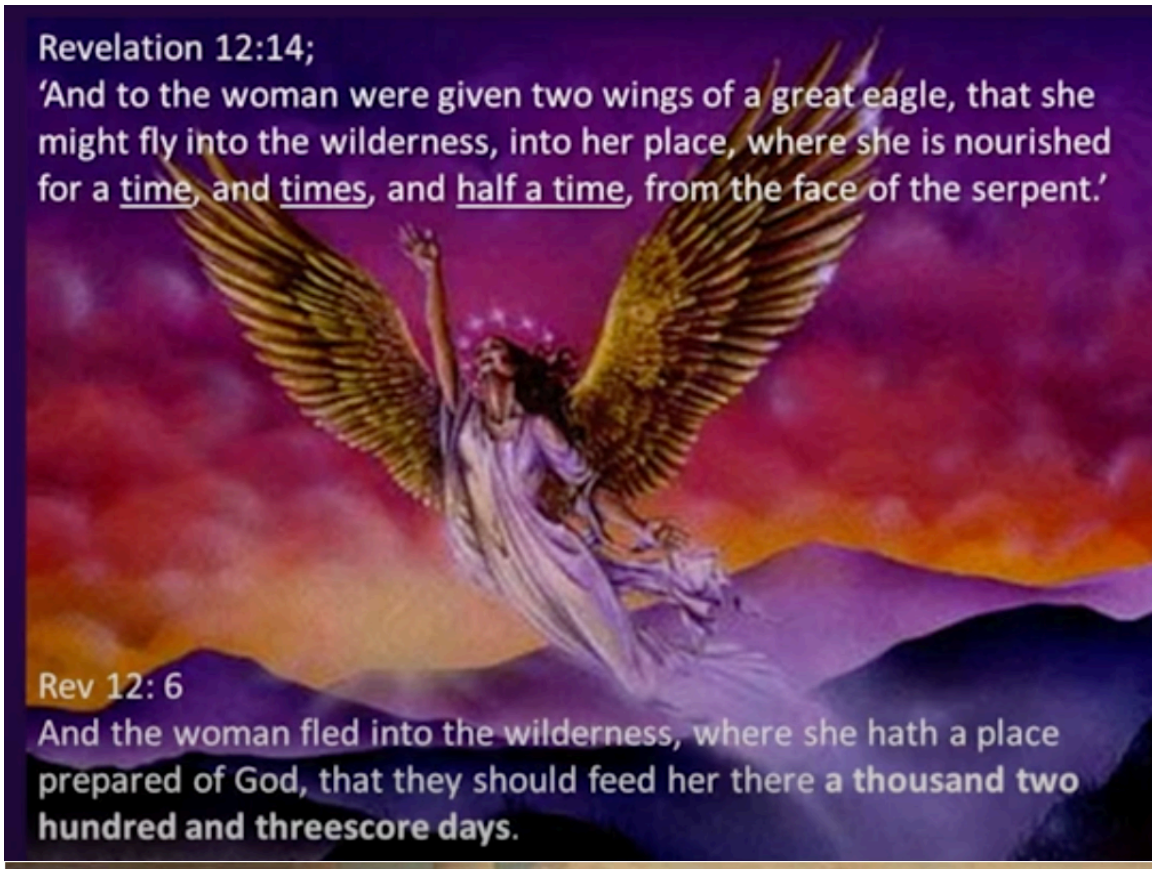
Prophecy also tells us that some of us will be protected. Jesus basically stated that when you see the signs getting really bad to go inside and close your doors.

Aliens are composed of different warring factions that unlease evil upon the world. They will play a roll in this up and coming DECEPTION THE THE WORLD WILL BE SEEING.

It appears to me that as Trump is taking down the DEEP STATE that he may also be protected. It appears that in prophecy the global nations that are the target for destruction soon DO NOT INCLUDE AMERICA. It appears that anyone associated with the DEEP STATE movements may be the targets Dogman is unleased on. This may mean the Beasts of the Field will not bother NORMAL ORDINARY PEOPLE in America as they will people in other nations that are associted with these Tribultion wars. The killling fields according to prophecy are a 1/4 part of the world that will be engaged in all of these battles.

Prophecy speaks of a 7 Year Tribulation Period that most of believe we are in today. Prophecy does not tell us that the world will end at all, it tells us that after this 7 Year Tribulation Period that a NEW GOLDEN AGE will occur where Jesus and his people will be RUNNING THE SHOW.

I have pulled out my popcorn and bowls just for the occasion myself. I say this because it looks like America is left out of these End Time prophetic wars.



Revelation 12:14;
'And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.'
Rev 12: 6
And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

America in prophecy is the WOMAN WHO TRAVELED INTO THE WILDERNESS to be free from the JROCCC and STATE. This note in Revelations tells us that we will be nourished for the last 3 1/2 years of the Tribulation Period.

WHAT NATIONS ARE DESIGNATED FOR DESTRUCTION - WHAT NATIONS GAVE BIRTH TO THE ORIGNAL DOGMAN LEGENDS

Gog & Magog – Gathering the Nations From The Whole Earth
UNITED NATIONS
And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle the number of whom is as the sand of the sea (Israel).
42

The nations above represent pproximately 1/4 of the World

THIS IS WHERE THE DEEP STATE TRIBAL MIGRATIONS CAME FROM THAT MIGRATED INTO EUROPE AS THE ASHKENAZI ZIONISTS

IT WAS THE TURKISH RACES IN GENERAKL (THE GOG MAGOG ETC., RACES) WHO STARTED THE ASM DEEP STATE

MOVEMENTS AND WHO BRED WITH OTHER RACES AS THEY MIGRTED WEST INTO EUROPE.

THEY WILL BE ACTIVELY ENGAGED IN THESE CURRENT WARS TODAY NOT AMERICA

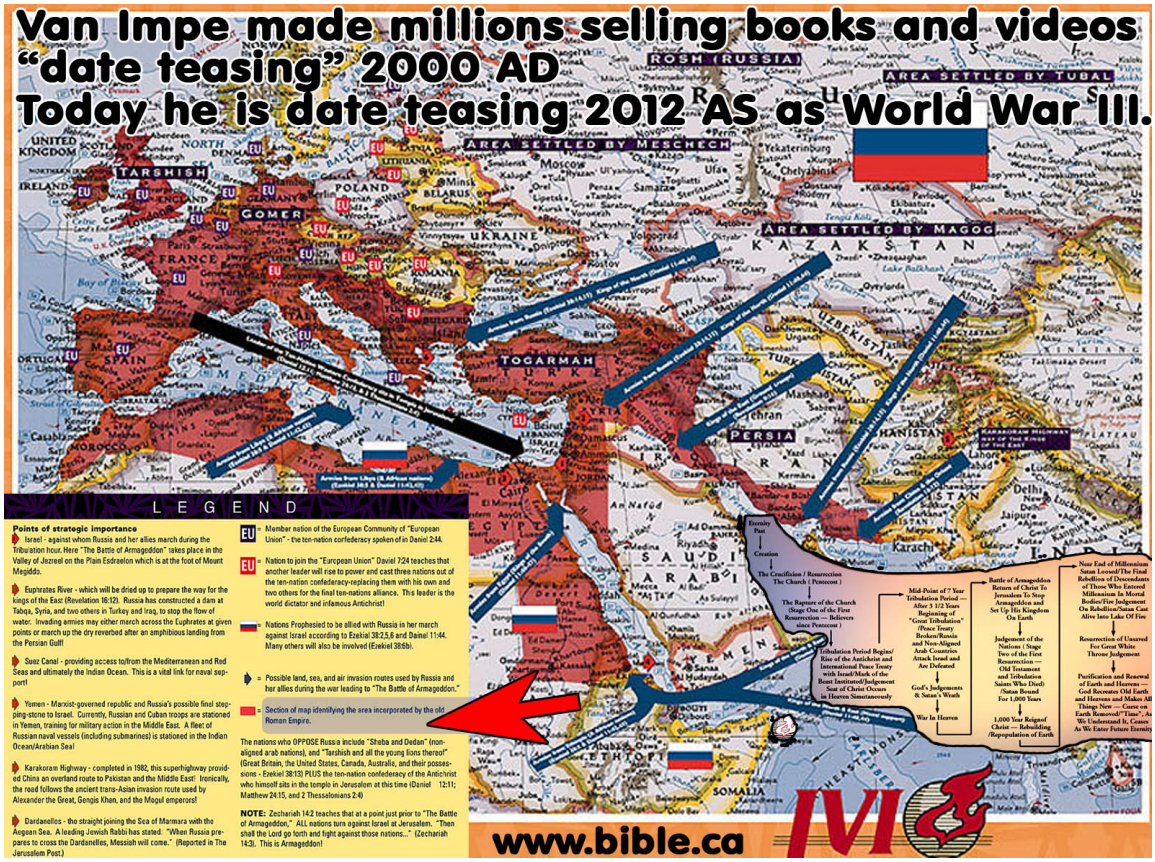
These are the lands of the Annunaki, Fallen Watchers, Elohim alien gods and thier geneticially modified CHIMERA
came from that expanded out from
Mesopotamia Iraq Into the
rest of the world

THESE APPEAR TO BE THE NATIONS AT WAR WHO ARE REFERRED TO 1/4 OF THE WORLD IN PROPECY

These are the nations that never seem to stop engaging in war. It is my guess that these are the natons that will also be affected when the BEASTS OF THE FIELD
are let loose

As the Battles Rage at the upper half of the globe, the rest of us will be looking on and many will be protected to become the

"Meek Who Will Inherit the New World" after it is all said and done.



Van Impe made millions selling books and videos
"date teasing" 2000 AD
Today he is date teasing 2012 AS as World War III.
www.bible.ca

These regions generaly total about 1/4th of the world today that cater to the DEEP STATE Communist agenda's

The Beasts of the field the locus flying machines etc., in prophecy will be let loose to kill 1/4 of the people in the world but to me that is a reference to the areas of the world that are battling today. The Deep State nations in Europe are the CATALYSTS for these wars. The DEEP STATE are PUPPET MASTERS of thier alien overlords, that are behind all of the wars.

Once again America does not seem to be included in these End (of the various Earth Ages) Time battles. Trump is a peace maker who is protecting America today. **I would guess that the**

Chimera and giants in prophecy will be unleased inside those nations primarily.
